

Yunnan University of Traditional Chinese Medicine

Yunnan University of Traditional Chinese Medicine (YUTCM) was established in 1960, located in Chenggong District, Kunming, the capital city of Yunnan Province, where is famous for its scenic splendors and spring-like weather all-year round. The campus of YUTCM occupies an area of 55 hectors, with pleasant surroundings and buildings of all kinds of functions.

The university focuses on the education for undergraduates and post-graduates as well as the education

Scientific & Technological Information Building

for international students and continuing education. The university is able to award degrees of medicine, science, engineering and management, and it offers 19 master degree programs, 15 undergraduate programs. There are 190 professors and associate professors and more than 9,000 students in the university. The Six affiliated hospitals

can meet the demand of students in clinical practice and learning in all aspects concerned.

By now, YUTCM has established strong and stable relationship with universities and organizations abroad and different programs have been proceeding for many years, such as Prince of Songkla University in Thailand, Chiangrai Rajabhat University in Thailand, Pan-European Medical Consultants Society of T.C.M. in France, European Foundation of Traditional Chinese Medicine in Spain, Korean Traditional Medicinal Food Laboratory, Australia Education Management Group and so on.
